

Erosion Prevention

It's in your Control!

Come to the Annual Lincoln City Erosion Prevention and Sediment Control Seminar.

Who should attend? Contractors, developers, real estate agents, property owners, and anyone interested in preventing erosion before, during, and after construction.

When? October 9th, 2008 from 8:30 am - 3:30 pm

Where? Council Chambers, Lincoln City --- City Hall

What you will gain? Knowledge to benefit you and your business or property, plus get Continuing Education Credits.

How much does it cost? Nothing, it is *FREE*, but please pre-register for the complimentary, catered lunch.

How do I register? Call, email or stop by the Public Works Counter at City Hall and talk to Annemarie Mueller.
