SOLV: Lake shore and Lake Bottom Clean Up

May 19th, 2007

The Down by the Lakeside Event was a smashing success with 22 Volunteers retrieving 10 tires, and 10-15 bags of garbage. Participants this year included the return of Bill Porter, the one man kayak search and destroyer, Dave Price premier snorkel diver, and five members from North Lincoln Fire's Surf & Rescue Team: Jim Kusz, Andrew Mac, Dennis Knudsen, Steve Wallace and Peter Robertson. Youngest participant again goes to Colin Isham Watkins who at the ripe age of two and ½ has attended both of what is now an annual event.

Colin was not alone though as the entire staff at the Oregon Coast Today, aka the Price family also participated. Special thanks go to Grant & Mark Snyder of Wiggins Tow Boat, and Bill & Julie Sexton of Sexton Construction for staffing and donating use of their vessels as well as North Lincoln Sanitary for offering free pick up of this year's catch. Additional participants included DLWID board members Brian Green and Smokey Aschenbrenner, DLWID Budget Committee member Don Sell, Chester Noreikis, Shane Isham, Sharon & Patrick Oliver and Alison Nelson.
